WELCOME TO MT. GALIANO

Mount Galiano (311 m) is the highest hill on Galiano Island. Trails through its forested slopes lead to a superb view of the Southern Gulf Islands.

The Mt. Galiano Nature Preserve is held in Trust for the people of the island by the Galiano Club. Access to the summit is provided by a network of trails, within the Preserve as well as on adjacent private land.

The trails shown here are strictly for hiking: NO BICYCLES PLEASE.

THERE ARE NO TOILET FACILITIES
NOR GARBAGE DISPOSAL ON THE
MOUNTAIN.

PLEASE take away everything you bring
in and leave Mt. Galiano as beautiful and
pristine as you found it.

Island Trails, see our website at
